**E-Certificate for all Participants.**

The Department of Computer Science and Engineering in association with IQAC of Annapoorana Engineering College organized an International Webinar on “Block Chain and its Applications” on 09.07.2020 through Online platform. Dr.A.Anbuchejian, Principal started the session with a warm welcome to the chief guest and the participants for the session. Dr. S. Sharavanan, Vice-Principal gave a brief introduction about Block Chain.

Dr.T.Buveneswari, Associate Professor/CSE gave an introductory note about **Dr.Azath Mubarakali, Educator and Quality Co-Ordinator, College of Computer Science, King Khalid University, Saudi Arabia.** There were around 149 participants, who attended the webinar and the program got started

Dr.Azath presented his session on the topic “Block Chain and its Applications”. The topics discussed in the session includes, Introduction about the Block Chain, Block Chain Infrastructure, Challenges and Approaches, Relationship between Block Chain and IOT, Applications of Block Chain and Futures of Block Chain.

The webinar received an excellent feedback from the participants and appreciations were received on the method of delivery. Mr.K.Thangadurai, Assistant Professor / CSE, AEC proposed the Vote of thanks. The participants received the E-Certificates for their participation.
