## **ANNUAL REPORT OF THE COLLEGE FOR THE ACADEMIC YEAR 2017-2018**

Annappoorana Engineering College – an ever growing institution, is marching its way forward to success in all aspects. Eight year an institution is a worthy stage where one can start matching expectations with results, objectives with achievement and above all blessings enjoyed with difficulties and hardships endured.

As a step to quality, the college has initiated Internal Quality Assurance Cell (IQAC) of the college. Academic Administrative Audit (AAA) is done every semester to ensure quality of Teaching-Learning process. The college Inaugurated of IPR Cell and has also started conducting events with regard to innovations and research. Through IPR cell 5 events were conducted for the year 2017-2018. The college has signed MOU with 8 Industries / Corporate Houses for Student Internship, In-plant Training, Placement and Value-Added Courses. IEI Student Chapter was initiated to promote multidisciplinary participation of students in professional development activities.

As a mega event the college organised a “One Day National Conference on Science, Engineering, Technology and Management” - NCSETM 2018 and a “Two Day International Conference on Innovations in Science, Engineering, Technology and Management” - ICISSETM 2K18 which were of grand success.

On an average 424 students have benefitted by Government scholarships and freeships. 280 students have benefitted out of guidance for competitive examination and career counselling. 75 outgoing students of this year are placed in core industries. 218 students benefit out of Vocational Educational Training Programmes organised by the college and 373 students are benefitted out of Value added course and Certificate courses conducted.
