# AEC CHRONICLE

Annapoorana Engineering College (AEC) was promoted by the famous Thirumuruga Kirupananda Variyar Thavathiru Sundara Swamigal Medical Educational and Charitable Trust (TKVTSSMEC Trust) in the year 2010. The trust is a pioneer in offering higher education for over 3 decades in the fields of Medicine, Engineering, Dental, Pharmacy, Nursing, etc. It is always striving to impart quality education to all the students by providing state of art facilities, good academic ambience, opportunities to interact with top academicians / professionals and right motivation to take part in co-curricular and extracurricular activities. Thereby enabling them to develop deeply into the aspects of modern technology.

No account of the history can be complete without remembering the pioneering work of our founder Chairman Dr.A.Shanmugasundaram. It is the philanthropy of our founder chairman that has made this College - a seat of Social Reform movements, Cultural Renaissance and Intellectual Awakening for the young men and women of many - in this part of the country.

AEC is becoming a shining example of 'inclusive' culture providing quality education to students belonging to socially deprived groups. In this sense, this college is proving to be forerunner to the principle of social justice that was powerfully enunciated and enshrined in the constitution of Indian Republic. It aims at producing "Industry Ready World Class Engineers".

# MADAM FOUNDER CHAIRMAN'S MESSAGE

## Mrs. Annapoorani Shanmugasundaram

It gives me immense pleasure to know that Annapoorana Engineering College is releasing their 1st News Letter "AEC Chronicle".

The News Letter mirrors the success stories of the institution to reach out to the outer world. It reflects upon the persistent and committed efforts made by faculty & students for taking the institution one step ahead.

My blessings to all who have involved themselves for the contribution towards the upliftment of the institutions. I wish them all the very best in their future endeavours.

# PRO CHANCELLOR'S MESSAGE

**Dato' Sri Dr. S. Sharavanan**

Pro - Chancellor,  
Vinayaka Missions Research Foundation  
MD - Penang International Dental College

Dear Principal,

I'm happy the Annapoorana Engineering College, Salem is releasing a New's letter "AEC - Chronicle"

The present day students have lots of opportunities to enhance their knowledge and skill provided they explore more out of their class rooms. Besides learning their prescribed syllabus focusing on the examination they should try to enhance soft skills, team building and teamwork so as to face the challenges in the outside world to prove to be a successful entrepreneur. I hope the present dedicated faculty team will accordingly shape the students.

I wish the AEC Chronicle will prove to be an useful magazine which will be treasured by the students. My best wishes

Yours sincerely,

A handwritten signature in red ink, consisting of a series of connected loops and a final horizontal stroke.

Dato'Sri Dr.S.Sharavanan

# CHANCELLOR'S MESSAGE

**Dr. A. S. Ganesan**

Chancellor, Vinayaka Missions Research Foundation

I am pleased to note that a Newsletter – “AEC – Chronicle” is being released from our Institution every semester which is meant to focus all the activities and achievements.

I would like to congratulate the Principal and faculty for the publication of “News Letter”. This will mean a promising opportunity to everyone in the Institution in an environment which is academically oriented striving for excellence.

With the perpetual demand for communication to create awareness among people, it is good to publish the Newsletter to disseminate information. I am confident that “AEC – Chronicle” will capture all the diverse activities of the college through clear presentation and exclusive contents.

Congratulations!! I wish that your endeavour will be successful.

Best Wishes,

A handwritten signature in blue ink, appearing to read 'A. S. Ganesan', written over a light blue horizontal line.

# VICE PRESIDENT'S MESSAGE

**Mr. N. V. Chandrasekar**  
Vice President,  
Vinayaka Missions Research Foundation

I am glad to know that Annapoorana Engineering College is releasing "AEC Chronicle", a Half Yearly NEWS Letter from the Academic year 2017 – 2018.

Heartiest congratulations to the team involved in this historic event. I extend my thankful wishes and wish the members of the committee all success in the publication of the Newsletter.

I hope, this Newsletter will motivate your students in general and students of all engineering colleges in particular.

"Teachers are the guiding lamps. They create miracles, sometimes in terms of showing the right track to their students and disciples".

I strongly believe that "AEC Chronicle" will bring the best out of AEC students and faculty. I am sure, the hard work and efforts of all involved in this will definitely bear fruit.

With Best Wishes,

*N.V. Chandrasekar*

# VICE PRESIDENT'S MESSAGE

**Mr. J.S.Sathishkumar**

Vice President,  
Vinayaka Missions Research Foundation

*Annapoorana Engineering College under the able leadership of the Principal and his team are showing an excellent progress in academic along with career advancement programs coring 360 student centric systems.*

*I am sure with this dedication this college will evolve into an institute of excellence and fulfill the dreams and 1000's of asperity students and their faculties.*

*My best wishes to everyone in bringing out the College Magazine and successful academic year ahead.*

With Best Regards,

Vice – President

## **Dr. A. Anbuchejian** *Principal*

*The Newsletter, "AEC Chronicle" is exclusively meant not only for enlightening the ever growing activities and achievements of our esteemed institution but also for churning out the hidden and extraordinary talents of our students and sharpening their communication skills.*

*Our college is committed to providing a quality education for all our students with a variety of educational career options. We provide our students with the skills necessary to pursue a college degree or to enter a skilled trade or career.*

*"Education", in today's world, "does not stop with acquiring knowledge alone. It is acquisition of knowledge and skills, building character and improving employability of our young minds, the future leadership. The painstaking efforts of our experienced faculty will pave the way for the better performance of our students in all the spheres of their activities.*

*I am sure that the Measures initiated by our Honorable Management, steps taken by the college administration, the willing contribution of the teaching faculty, the overwhelming response and the active participation of our students in the activities of the college with re-doubled vigor, all in Unison, will produce the desired results.*

*I feel proud of being the Principal of such a wonderful institution dedicated to the cause of education and India.*

*I congratulate all the contributors and the editorial board for bringing out such a beautiful newsletter.*

*Let "AEC Chronicle" kindle the sparks of creativity in our students like "The Arabian Nights" and let us have 1001 innovations to serve the society and the world at large.*

## **Dr. S. Sharavanan** *Vice Principal*

*I feel excited that the students and the faculty of AEC have come together and put in a lot effort in bringing out the first issue of the Newsletter "AEC CHRONICLE". It is yet another milestone in the history of AEC. The major aim of the newsletter is to highlight the various academic and non academic activities going on.*

*In the era of change, people with outdated ideas, can no longer survive. With this view in front, AEC strives its best to enhance the students mind with professional lectures. Seminars and industrial-interactions enable them to emerge as brilliant Technocrats. More expert professors and industrialist will be invited in future to enable the students to keep themselves abreast with Cutting - Edge Technology. Well, in the last odd semester, development and training programs for faculty and students were conducted and these have shown a positive impact on the performance of the students and the faculty as well.*

*I applaud the "AEC CHRONICLE" team for its effort in this endeavor and making the first issue a reality. Wishing you all the very best for the forth coming days.*

## ONE DAY WORKSHOP ON “THE RECENT TREND IN NANO TECHNOLOGY”

28.09.2017

A National level one day workshop on “ The Recent Trend in Nano Technology”, sponsored by the Institution of Engineers {India} was held in Annapoorana Engineering College on 28.09.2017.

**Dr.P.Suresh**, Professor & Head Centre for Nano Machine Lab, Sona College of Technology, Salem, spoke on the title “**Introduction to Micro and Nanotechnology**”. After a brief introduction he threw light on the future scope & importance of Nano Technology. Through nanotechnology more than 75% of the companies see the chance that Nano Technologies could open up new markets for them.

More than 60% of the companies expect a decisive advantage from the use of nanotechnologies.

Engineering students have unlimited opportunities as the fields of Nanotechnology are expanded to Nano Medicine, Nano Biotechnology, Nano Olithography, Nano Electronics, Nano Magnetics, Nano Biodevices & Nano Biomimetic Materials

**Prof.C.Ramamoorthy**, ME,MBA,(Ph.D),S.A.E(USA), Director, SRG Engineering College, Namakkal & Managing Director, Turbo Group of Companies, Salem gave specific importance to Nano technology. He described in detail how Nano Technology is the creation of Useful/Functional materials, devices and systems through control of matter on the Nanometer Length Scale and exploitation of novel phenomena and properties (Physical, Chemical and Biological) at the length scale.

**Er.K.Pandian**, FIE, Chairman, IEI Salem & **Er.S.R.Saravanan**, MIE, Hon. Secretary, Salem Local Center, highlighted the important aspects of Institution of Engineers (India) and made it clear that many remarkable & reputed organizations are ready to offer rich opportunities to talented engineers. The IE (I) Chairman was pleased to grant Rs.10,000 towards the conduct of the work shop in Annapoorana Engineering College. He advised the engineering students to seize the plenty of opportunities offered by reputed industries & go up confidently in the ladder of success.

Mrs.T.Buveneswari, AP/CSE welcomed the gathering. Dr.A.Anbucheizian, The Principal, triggered off the seminar by his magnetic presidential address.

The Chief Guest, a design practitioner gave a delightful talk on Design and development of different types of cars incorporating innovations from time to time, **“Innovations can happen everywhere. Develop inquisitiveness and indulge in creative thinking. You should try to contribute something new to the field of Engineering”**, said, added the Chief Guest.

In his splendid speech, Mr.G.Sathyaseelan revealed his concern over the breaking of traditional culture and the seeming indifference of people to observe what is happening around them. He wanted the students to evince interest in the society in which they live and should come forward to contribute to its development and the Nation. “Innovation is not making something new alone, “Create jobs, develop the keen power of observation, always think of your progress” were some of the suggestions offered by him.

Dr.S.Sharavanan, Vice Principal, was all praise for the achievements of the Chief Guest. Dr.O.Saravanan I Year Dean expressed his gratitude to the distinguished Chief Guest for his enlightened speech.

## ZONAL LEVEL KHO-KHO MATCH- 07.10.2017

The zonal level [Zone7] Kho Kho match was conducted in Annapoorana Engineering College on 07.10.2017 and students from various colleges affiliated to Anna University participated in the match.

Dr.A.Anbucheizian, The Principal, presided over the function.

In the match, Sengunthar College, Thiruchangodu, bagged of the first prize. The credit of winning the second place belongs to Annapoorana Engineering College. Adhiyamaan Engineering College, Hosur got the third place.

Dr.A.Anbuchejian, Principal awarded Certificates and Trophies to the prize winners. Dr.S.Sharavanan, Vice Principal, Dr.O.Saravanan, I Year Dean and Dr.T.Iyyapaswamy, Administrative Officer, were present.

Mr.K.Shanmugavel, Physical Director, had made all the arrangements.

## SOFT SKILLS TRAINING PROGRAM – 14.10.2017

“A One day training program on Softskills” was organized for the benefit of First Year Students. **Mrs.Rajeshwari, Mrs.Lavanya, Mr.Raghavan and Mr.Tamizharasan**, the National Level Trainers, were the resource persons.

Engineering Students should develop their personality and skills required to achieve their goals. With a view to helping them in becoming successful professionals in their career, the trainers gave a true-to-life picture of the industry and its needs.

To accomplish the fulfillment of the modern industry, the trainers made the participants become aware of the etiquette to be followed by the prospective engineers. The students were also given training in soft skills like Time Management and Goal Setting.

Some tips on group discussion and interview strategy were given too. A few ideas were floated among the students to give extempore talks.

The program was of very great use as it inculcated a spirit of enthusiasm in the students, not only to improve the percentage of results but to develop the team spirit essential for their future career.

## GRADUATION DAY – 21.10.2017

Annapoorana Engineering College recorded its Third Graduation Day celebration on 21.10.2017. For the graduation ceremony **Dr.Srinivas Padmanabhuni** [Former President – ACM India], Chief Mentor, Tarah Technologies was the Chief Guest.

Dr.A.Anbuchejian, Principal, presided over the function. Honorable Madam Founder Chairman **Mrs.Annapoorani Shanmugasundaram** inaugurated the grand function by lighting the lamp after the academic procession occupied the stage. Mr.N.Ramasamy, Director, VMRF & Mr.R.Balasubramaniam, Senior Manager, VMRF were the Guests of honor.

Honorable **Mr.N.V.Chandrasekar**, Vice-President, Vinayaka Mission Research Foundation, declared the graduation ceremony open.

Dr.A.Anbuchejian, Principal, welcomed the gathering. In his address, the Principal proudly recalled the activities and achievements of the college. He wanted the graduates to bring name and fame to the institution by dedication and hardwork.

In his graduation day address, the Chief Guest strongly advised the soon-to be engineers to cherish lifelong friendship as it is the best source of help. **“Learning should never stop; greatness is not born but created; aim at higher degrees”** were some of the valuable suggestions given by him. In his view **“Today is the best time for entrepreneurship”**. **“Believe in the fact, you are never alone”**, the Chief Guest added.

Later, the Chief Guest, Honourable Madam Founder Chairman and Honourable Vice-President, Vinayaka Mission Research Foundation, awarded the graduates degree certificates. The graduates took the graduation pledge of social responsibility. Then the ceremony was dissolved. With the National Anthem the function came to an end.
