FUNCTIONS AND RESPONSIBILITIES OF WOMEN EMPOWERMENT CELL

A **Women Empowerment Cell (WEC)** is a dedicated body in Annapooran Engineering College (Autonomous Institution) that focuses on promoting gender equality, empowering women, and addressing issues related to women's rights and welfare. The cell works to create a supportive environment that enables Girl Students, Female faculty and Women staff to realize their full potential and achieve their goals.

The functions and responsibilities of a Women Empowerment Cell typically include the following:

1. Awareness and Sensitization Programs

Organize workshops, seminars, and conferences to spread awareness about women's rights, gender equality, and legal protections.

Conduct sensitization sessions on issues like sexual harassment, domestic violence, and workplace discrimination.

Promote health awareness, including reproductive and mental health for women.

2. Capacity Building and Skill Development

Facilitate skill development programs such as leadership training, entrepreneurship, financial literacy, and vocational training to empower women economically.

Organize self-defense training and workshops on personal safety for women.

3. Support and Counseling

Provide counseling services to address issues related to personal, professional, and academic life, such as stress management, work-life balance, or career planning.

4. Creating Safe and Inclusive Spaces

Ensure a safe, gender-sensitive, and inclusive environment for women in the workplace, educational institutions, and communities.

Work towards creating equal opportunities for women in leadership roles and decision-making processes.

5. Research and Development

Use the findings to develop action plans and initiatives that can improve the status of women.

6. Recognition and Celebration

Celebrate important days like International Women's Day, National Girl Child Day, and other relevant observances to promote awareness.

Recognize and honor the achievements of women in various fields through awards and appreciation programs.

7. Policy Advocacy

- Review and recommend policies that promote gender equality and address the needs of women within the organization or institution.
- Ensure compliance with laws and regulations related to women's rights, including maternity benefits, equal pay, and anti-harassment laws.

By focusing on these areas, the Women Empowerment Cell helps create a more inclusive and supportive environment for women, enabling them to contribute meaningfully to society and reach their full potential.

3. Support and Counseling

Provide counseling services to address issues related to personal, professional, and academic life, such as stress management, work-life balance, or career planning.

4. Creating Safe and Inclusive Spaces

Ensure a safe, gender-sensitive, and inclusive environment for women in the workplace, educational institutions, and communities.

Work towards creating equal opportunities for women in leadership roles and decision-making processes.

5. Research and Development

Use the findings to develop action plans and initiatives that can improve the status of women.

6. Recognition and Celebration

Celebrate important days like International Women's Day, National Girl Child Day, and other relevant observances to promote awareness.

Recognize and honor the achievements of women in various fields through awards and appreciation programs.

7. Policy Advocacy

- Review and recommend policies that promote gender equality and address the needs of women within the organization or institution.
- Ensure compliance with laws and regulations related to women's rights, including maternity benefits, equal pay, and anti-harassment laws.

By focusing on these areas, the Women Empowerment Cell helps create a more inclusive and supportive environment for women, enabling them to contribute meaningfully to society and reach their full potential.

Report on getting "International Women's day Celebration on 11.03.2024

Expert talk on "Equality in Action"

Keeping in view the growing imbalance in the man-woman ratio, we have to emphasize focusing on celebrating and welcoming girl child. To get rid of vicious social customs of dowry system responsible for killing of girl child, the status of women shall have to be enhanced. The International Women's Day was celebrated at Annapoorana Engineering College (An Autonomous Institution) on 11th March, 2024. The purpose of celebrating Women's Day is - **To raise awareness about the status and dignity of women among the students.**

The Program was starts with the Prayer Song by the students of CSE and inaugural ceremony of Lighting the Lamp was initiated by the dignities on the dies on that day

At the beginning of program our respected Principal sir Dr.A.Anbuchejian gave a short speech on Women's day and honored the guest speaker Dr.Sujaritha Saravanan ("**Evangelist Alternative Education Zoho School & Communication and Soft Skill Trainer at Zoho Corporation**") . Dr.A.Anbuchejian an eminent personality in the field felicitated the gathering with an inspiring tone for the discourse ahead.

Dr.T.Buvaneswari-Head/CSE, Chairperson Women Empowerment Cell gave the chief guest introduction about Dr.Sujaritha Saravanan and welcomed the gathering. The event was commenced with a warm welcome extend to all the attendees in the hall.

The Session was handled by the Guest Speaker Dr.Sujaritha Saravanan. Her address delivered a multicasst aspects of role of responsible women in society, Her talk encapsulated various crucial theme and responsibilities of women in society and family

She overviewed about

(A) why we need gender equality urgently.

(B) Gender equality prevents violence against women and girls. It's essential for economic prosperity.

(C) Societies that value women and men as equal are safer and healthier.

(D) The strength of a woman is not measured by the impact that all her hardships in life have had on her; but the strength of a woman is measured by the extent of her refusal to allow those hardships to dictate her and who she becomes.

The celebrations began with a video displaying all women faculty members along with the slogan "Embrace Equity," followed by a video of all final year students and various Cultural events were conducted for the female students of all departments. Students were also provided with a refreshment also. The event was ended with the vote of thanks by R.Uma Mageswari-AP/CSE.

Report on getting “De-worming tablets from Directorate of Education” on 31.01.2024 at Veerapandi post

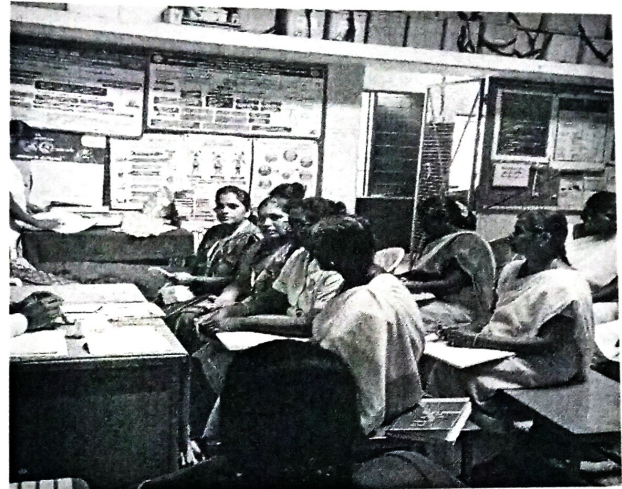

A Free medical camp was organized by the Ministry of Health & Directorate of Education, of all the Colleges of TamilNadu at Veerapandi Aaranba Sugathara Nilayam, Salem. All the College members nearby were invited to that meeting. The meeting was held to get tablet named as Albendazole 400mg (chewable tablet), as an initiative towards deworming the student's health. The single dose in the tablet form will be administered to the students on 31st January 2024. As a representative of our college two faculty members were send to attend it and get the tablets. The tablets was given to all the students through their HODs for deworming purpose of their health of various departments. Students from all the branches came forward to get the tablet and got benifited. The HODs were also instructed that the medicine cannot be given on an empty stomach, and have to be taken after breakfast only. We thank our principal Dr.A.Anbuchezeian and Women's Empowerment Cell for distributing the tablets. We thank the Management for their support and also our Co-ordinator Mr.T.Buvaneswari-HOD/CSE for sending the faculty members to attend the meeting for the benefit of our students .

Report on “one-day Medical Camp Checkup in our college on 30.01.2024

A free medical health checkup camp for faculty, Staffs and students were organized wa organized on 30th of January 2024 at Dr.A. Shanmugasundram Seminar Hall in **Annapoorana Engineering College** campus. The Camp was organized by CSE departmen in association with **Vinayaka Missions Homoeopathic Medical College and Hospital members**. The team members of the hospital including one Physician and one Gynaecologist arrived at the college at 10.00 am. Dr.A.Anbuchejian-Principal presented the flowers to the Chief doctor and he discussed about various issues of health with the doctors. Free Physical examination along with free Blood sugar, Blood pressure and ECG tests were provided by the hospital. They also gave 50% discount on remaining other diagnosis tests in their hospital for all faculties and students.

Approximately 200 100 faculty members, Staffs, students from all the branches and AEC group came forward for health checkup. Doctors advised them various medicines and consultation during the camp.

Camp was successfully organised under the guidance of our principal Dr.A.Anbuchejian, Women's Empowerment Committee and CSE department. We thank the Management for their support for Organizing the camp Successfully.

Camp was Co-ordinated by Dr.T.Buvaneswari-HOD/CSE and Staff members of CSE
